Are You a Video Hound? If so, we have a job for you at our Annual Meeting. We want to feed our live presentation to a large screen outside the main room. If you can help, please contact [Mark Tardiff](#).

In this season of Thanks, we would like to express **our sincere gratitude for your contributions in 2012 to the success of FOBM**. Our **main goals 2013** continue to be **preserve additional ridge land and create the ridges portion of a "ridges to rivers" trail**. As an all-volunteer non-profit 501(c)3 organization, your financial and volunteer support is critical in making these plans a reality. We hope you will join FOBM, renew your **annual membership**, or if your circumstances permit, please consider a **year-end, tax-deductible contribution** (here's [our printable membership and donation form](#)). You can contribute to FOBM online via [the Network for Good \(this link takes you to their Web site\)](#). Thank you!

To read how you helped us improve the trails this fall, [visit our trails report](#), where you can also learn how to help maintain trails this coming spring.

Join with the [Intermountain Alpine Club](#) for the **63rd annual New Year's Day Badger Climb**. Meet at 10:00 AM at the base of either trail, then meet at the top to ring in the new year with a group photo.

Note the native plant demo garden, newly restored and improved, just east of the Canyon Trail kiosk. You'll find photos on our [Pictures page](#). Nice!.

We welcome your photos of Badger. [Visit our Pictures Page](#) which we are always updating and where you will also find a link on how to submit your photos.

Please remember, if you're planning to attend the Annual Meeting - and we hope you do - **please RSVP** either [by e-mail](#) or by phoning 943-8688. Sure, invite your friends and fellow hikers, it's an evening to celebrate!

Our Warmest Wishes for Peaceful Holidays, on behalf of the Board of Directors for the [Friends of Badger Mountain](#),
