If you like Badger, then help us preserve Candy!

FOBM undertook a campaign in 2014-15 to raise \$1.5M

- ✓ **to create a 205 acres open space park on Candy and**
- ✓ **to build a trail connection from Badger to the summit of Candy**

As of 3/1/15 we have \$125,000 left to raise!

**Help us reach this goal, create a new preserve and
a new trail link. Donate today!**

Proceeds benefit Friends of Badger Mountain, the Washington Trails Association, Team in Training and funds a scholarship for a local student.

SPRING HAS SPRUNG! TRAIL WORK HAS BEGUN!

The work involved – smoothing out rocky sections of trail, regravelling sections worn thin, securing trail edges – will depend on the number of helpers. We

start at 9:00 and work until about 1:00. The location of where we meet will change with the work. I need everyone to sign up in advance so I can plan the work and have tools

available.

Be on time because we can be hard to find and may not have brought tools for late comers. I can arrange a work project that fits the skills and abilities of your group. Sign up with me: trailmaster@friendsofbadger.org or contact me at 943-3992.

Thanks! Jim Langdon
